

Online Sermon Library

Last Updated Tuesday, 07 September 2010

The weekly messages at Travis Avenue are available as both MP3 audio files and PDF document files and can be downloaded from the list below. It is our privilege to provide this service to you in hopes that it will encourage you in your spiritual growth and help you in your walk with the Lord. We appreciate your interest and thank you for taking advantage of this growing media outlet.

Pastor Dean's complete sermon series are also available in CD collections. You may purchase these collections by placing an order in the Sanctuary foyer before or after the 11:00 am service or by contacting Kathryn Flenniken at k.flenniken@travis.org.
